To Whom It May Concern,

It is with pleasure that I highly recommend Gray Bailey as a student athlete at your institution. I have known Gray for his entire life. He has been raised in a strong, stable home that has been very supportive of his athletic and academic pursuits.

Gray is a college coach's dream. He is dedicated, hard-working, focused, goal-oriented, determined, and extremely coachable. Gray spends countless hours being a student of the game, often identifying areas of his game in need of improvement and putting in the work to reach his goal.

As a teammate, Gray is a leader, positive role model, and most importantly a team player. He understands the concept of a team and will work to help make each of his teammates better players. Gray is an outstanding listener and communicator, allowing him to socially interact in a positive way with every teammate.

Gray Bailey would be a gift to any institution. He is a student athlete, but more importantly he is a wonderful human being, who holds himself to the highest of standards in day to day life. I am beyond proud of this young man and look forward to watching him turn his dreams into reality.

Sincerely,
